

An aerial photograph of an industrial park. In the center, there is a large, rectangular industrial building with a light-colored roof. To the left of the building is a large, open, unpaved lot. In the foreground, there are several large, green trees. The background shows a parking lot filled with cars and other industrial buildings. The sky is blue with some clouds. The image is framed by a blue border with geometric shapes in green, orange, and grey. The text "SOUTHEAST INDUSTRIAL PARK" is written in white, serif, all-caps font, centered in the image.

NORTH STAR SHEETS' **SUCCESS**

North Star Sheets' 168,000-square-foot Southeast Industrial Park facility is situated on 16 acres of land and features office, manufacturing and storage space, as well as state-of-the-art machinery. The award-winning project was specifically designed to allow train cars to enter the building to optimize and expedite workflow. Opus Development Company's site plans were city-approved in less than 60 days, and the facility was fully operational less than a year after breaking ground. In June 2021, the City of Cottage Grove approved a 35,600-square-foot expansion and an increase of 4.5 acres to North Star Sheets' total footprint.
